### They Can Make It Expensive

The Kremlin-guided Communists of Europe may not be able to keep the United States from helping the countries they are trying to control. But they can make the cost of European aid frightfully high.

They can do this by strikes like the one called in the Italian food industry by the general confederation of labor, still under Communist control. Wherever they can interfere with efficient distribution of necessities, they can add to the expense of carrying out the Marshall plan.

The technique of Communist sabotage is revealed in a report by the American mission for aid to Greece. The report shows that 75 cents out of every dollar the United States has contributed to Greece so far has been spent to overcome war and hunger. Direct military expenses took 51 percent of the \$338,000,000 already received by Greece. Food took another 24 percent. Even the money spent for reconstruction was, in cases, of primary value to Greece's military operations against its Communist-guided revolutionaries. The same kind of sabotage can be carried out in all the countries entitled to receive help under the Marshall plan.

It can even be carried out in the United States, to the extent that Communists are able to interfere with the efficiency of the national program for European aid. They got away with it before the United States and Russia became allies in World War II, boldly admitting their intention to keep this country from helping Europe. They aren't likely to admit it in 1948, but nothing has happened in the meantime to improve their intention.

### A Word of Warning

The Federal Reserve bulletin sees business profits continuing to pile up for the remainder of the year, but looking ahead to 1949 and beyond, at least one economist sees danger signals.

Joseph G. Battag has told the Cooperative club of Chicago, a group of business and professional men, that the nation is in the most dangerous era in its history because "every week it is being clearly demonstrated that all major economic conflicts and repercussions—domestic as well as foreign—are being checked by political action." He referred to the defense program and ECA which call for more than 40 billions.

Mr. Battag doesn't foresee a bankruptcy plunge in 1948 but rather "a topside and extended primary post-war boom which will continue until demands run out; our economy has been running through a vigorous but tottering demand in the midst of piecemeal readjustments." He predicts "some kind of credit crisis in 1949, or certainly not later than 1950 . . . for as in all booms we are sowing the seeds for an eventual day of reckoning."

It is good to call attention to these pessimistic evaluations as they are made. The few cassandras who spoke their minds before the 1929 debacle were hooted down and derisively patted with ticker tape.

### Our Base In The Azores

Portugal has agreed to allow the United States to use Lages airdrome in the Azores for from 3 to 5 years, providing us with an important fueling station 900 miles from Europe. This is the first airdrome the U. S. air force built during World War II.

Defense Secretary Forrestal has sent a cordial thank-you note to Portugal's Premier Salazar, pointing to the long and pleasant relations between the United States and Portugal. For while the Salazar regime in many respects is little better than Franco's in neighboring Spain, the government is like some of those in Central and South America which we find it expedient to tolerate and even live with on fairly congenial terms.

### A Change of Plans

The Navy has halted work on the battleship Kentucky and 12 smaller warships which have been under construction more than two years. They are obsolete. Science moves ahead so rapidly nowadays that naval design can't keep up.

The Kentucky and the smaller craft will be allowed to sit until a study is made to see if they can be converted into missile ships. Meanwhile, the rest of the money allotted for them will go into a new supercarrier that can handle jet bombers. This \$125,000,000 Leviathan will be completed sometime after 1950—unless further scientific advances have also made it obsolete by then.

### The High Cost of Flying

In wartime, thousands of bright young men received their aviator's wings. The prediction was that after the war the nation's airways would swarm with private planes. It was just another wartime prediction that fell flat.

The nation has more than 500,000 citizens who know how to fly planes. But private flying is a limited activity. Like the city boy who owns a pony, the flier who owns a personal plane is a rare bird.

Wartime fliers came home to brides, babies, college studies and a rising cost of living. Plans for an auto in the garage and a plane in a nearby hangar were modified or abandoned. The few who had the wherewithal to acquire a private plane soon found that storage and upkeep clipped their wings. A survey shows that high costs even restrict the flying of 84.4 percent of private plane owners, although their average annual income is \$6,093. Sixty-five percent of private pilots fly less than 25 hours a month.

### The Stars Say

For Tuesday, June 29

By GENEVIEVE KEMBLE

ACCORDING to the generally adverse planetary positions, it will require more than ordinary vigilance, sagacity and astute management if the affairs of this day escape disruption, distrust, suspicion and far-reaching duplicity.

In all avenues there are signs of undercover dealings, with subtle machinations and sinister intent. Such may alienate the interest and ready support of those in high positions, whose purestings may be drawn tightly for their own security and financial benefit.

Private and romantic affairs share in this tricky and malefic menace.

Those whose birthday it is, are advised to be vigilant and prepared for all sorts of underhand, disloyal and disruptive influences affecting real possessions as well as all contacts concerning the personal and home life, romantic affiliations and other intimate concerns.

Finances, career, happiness and progress are under a cloud of suspicion, treachery and intrigue, with subtlety and craftiness at the root of all plans and associations. Postpone action, while remaining watchful at every step. Make no false moves.

A child born on this day may be an easy victim to strange influences, intrigues and illusive impulses, affecting its success and standing in life, with little defense from its superiors.

### ONE MAN'S OPINION

BY WALTER KIERNAN

Convention hall . . . one thing a defeated candidate should never forget about this convention . . . he had nice weather for it.

There were very few times that a candidate couldn't have gone for a nice long walk and the wonder of it is that more of them didn't go sooner.

There's nothing so touching as a favorite son yielding a nomination—he does it with the willingness of a traffic cop who has been asked to eat a parking ticket.

Well, it may be said of the Republicans that while they disagreed on candidates they conceded the November election to themselves.

In fact they referred to "the future president" so often, I hear Harry was thinking of coming on from Washington for another inspection trip . . . they're cheaper than political trips.

Things sure move fast these days though . . . even before the Republicans wound up, the Democrats were chasing the moths out of their convention banners.

But can one hall stand two kinds of oratory?

## GUARDING YOUR HEALTH

### Disease With Unknown Cause

By HERMAN N. BUNDESEN, M. D.

One of the most challenging diseases known to science, ulcerative colitis, has so far defied all attempts to find either its cause or its cure. That is not to say that nobody with this disorder gets well or that treatment accomplishes nothing. Far from it. But as is always the case where the exact cause of a disease remains undiscovered, no completely satisfactory form of treatment has yet been worked out.

Colitis simply means inflammation of the colon or large intestine. In ulcerative colitis, sores, which can be plainly seen during an examination with the proctoscope, form along the walls of the bowel. The proctoscope is a tube with an electric light bulb on the end of it.

Different Opinions  
From time to time a good many different opinions have been advanced as to why certain people should be afflicted in this way. Some experts believe infection may be at the root of the trouble, but no germ that is definitely responsible has been found. Others think that perhaps the condition may be due to allergy or over-sensitivity to some food, but this theory, too, remains unproved.

Nervous disorders and deficiencies in the diet are thought to play a part in bringing the condition about, but here, also, the evidence is too scanty for a verdict of guilty. The patient with ulcerative colitis has many bowel movements a day. The movements contain blood and mucus.

Attacks Occur  
Many patients find that the attacks occur following excessive physical or emotional strain. Patients suffer from tiredness and mental depression and often develop anemia or lessening of the coloring of the red cells in the blood.

So far as treatment goes, the giving of injections of whole blood into the veins is most helpful. Vitamins may assist in maintaining the nutrition but, since these may be poorly absorbed from the intestine, it may be necessary to administer them by injection into a vein or under the skin.

Diet Important  
The diet is important and should be free of irritating or highly-seasoned food, as well as bulk and roughage. It is necessary to make

sure that enough protein is supplied from such foods as meat, milk, and eggs. Often, such patients suffer from poor appetite, and it is difficult to get them to take the necessary amounts of foods.

If such treatment does not bring about improvement, or the patient continues to get worse, operation may be necessary. It would appear that surgery is required in about four-out of ten cases.

The operation usually employed is one known as ileostomy. This consists of making an opening from the small intestine through the abdominal wall so that the large

## Mary Beth King Is Bride Of Kenneth Groner Sunday

A gold necklace, 100 years old, her only jewelry, distinguished the costume of Miss Mary Beth King, who graced a beautiful bridal procession when she was married to Kenneth Groner at 2:30 p. m. Sunday in the First Presbyterian church.

This bridegroom was first worn by her great-grandmother on her wedding day in June, 1848, and later by her grandmother and her mother.

The bride is the daughter of Mr. and Mrs. William D. King of E. Sixth st. Mr. Groner is the son of Mr. and Mrs. Robert Groner of the Damascus rd.

## Hindman-Weaklen Nuptials Held

The First Federated church of North Jackson was the setting for the wedding of Marjorie Hindman and T. Gilbert Weaklen of Salem at 4 p. m. Saturday.

Rev. Louis Raymond, pastor, heard the exchange of vows in the double ring ceremony, which was witnessed by a group of friends.

A blue linen dress and white accessories made the lovely outfit chosen by the bride, who also wore a corsage of Tullies roses.

## Mary Untch Weds Harry Petrick

With the immediate families in attendance, Miss Mary Untch of Salem and Harry J. Petrick of New York City were married at 1 p. m. Saturday in St. Paul's Catholic church rectory, Ohio ave. Rev. Fr. J. Richard Gaffney, pastor, officiated in the single ring service.

Appearing in an attractive cerise suit, the bride used brown and white accessories and wore a corsage of white roses.

The couple were unattended.

Mrs. Untch chose a lavender and green print silk for her daughter's wedding, while Mrs. Petrick's outfit was green and black and she used accessories of the same tones. Their corsages were of pink roses.

A tiered wedding cake topped with an ornate garden graced the beautifully appointed refreshment table, which was ornate with red roses and white tapers in hand-painted china holders.

Mrs. Untch is a daughter of Mrs. Geneva MacMinn of Alhambra, Calif. She graduated from Rockford, Ill. High school.

Mr. Weaklen, son of Gilbert Weaklen of Pittsburgh, graduated from high school in Pittsburgh. A time clerk, he is employed by the National Sanitary Co.

The couple will reside at 1105 E. Third st.

## Maxine Allison's Party Is Surprise

Eighteen guests helped Maxine Ann Allison, daughter of Mr. and Mrs. Clifford Allison, celebrate her fifth birthday at a surprise party Friday afternoon on the lawn of the Allison home on Woodland ave.

Guests included a cousin, Elizabeth Ann Allison of Guilford, Elizabeth Colon of Greenford, Sandra Lee Regal and Percy Wilbur Howard and Dorothy Boston of Washingtonville. The youngest guest was Franklin Beeson, Jr., two-week-old son of Mr. and Mrs. Franklin Beeson, Sr.

The honoree received gifts and two birthday cakes were the center attraction at the refreshment table. Candy baskets were the individual favors.

Percy and Wilbur Boston won the game prizes.

Mrs. Leslie Hegal of Washingtonville assisted Mrs. Allison with the party arrangements.

## Westlake-Dunn Vows Heard

Using the single ring service, Rev. R. J. Hunter, pastor of the First Baptist church, read the ceremony which united in marriage Miss Mary Martha Westlake, daughter of Mrs. John T. Westlake of Toronto, and the late Mr. Westlake, and Earl Dunn, son of H. E. Dunn of Grandview, and the late Mrs. Dunn, at 2:30 p. m. Saturday at the home of Mr. and Mrs. T. W. Purviance, N. Ellsworth ave.

Greenery banked the fire place, which was flanked by white candles in two sets of seven-branch candelabra, making a lovely setting.

The music was recordings of the traditional wedding marches, "O Promise Me" and "Intermezzo."

Given in marriage by her uncle, W. M. Kelly of Lakewood, the bride wore a handsome gown of ivory brocade satin designed with a sweetheart neckline, long o'mutton sleeves pointed at the wrist, basque trimmed with tiny buttons, and a full skirt with a court train. Her fingertip veil was caught with real orange blossoms and she carried an arm bouquet of white roses centered with a gardenia. She wore a strand of pearls.

Mrs. William Parks of Cleveland was her cousin's matron of honor. She wore becoming powder blue taffeta gown and carried pink roses and carnations. Her blue tiara was ornate with pink roses. Kenneth Lindsay of Salem was the best man.

A reception for approximately 60 guests followed ceremony.

Charmingly appointed in a pink and white theme, the refreshment table was centered with a three-tiered wedding cake topped with a bell ornament. Mrs. Purviance was assisted in serving by Mrs. Roy F. Richards.

Guests were from Salem, Cleveland, Twinsburg, Lakewood and Toronto.

A graduate of the Toronto High

school, the bride is a bookkeeper for Parker Chevrolet Co. Mr. Dunn is employed by the Mulling Mfg. Corp.

When the bride left on her honeymoon, she was wearing an aqua suit with brown accessories and a gardenia corsage.

Mr. and Mrs. Dunn have their own home at 743 E. Sixth st.

For Packard has an exclusive suspension system that adjusts itself automatically to variations in load and road! And here's why it gives you a perfect ride:

1. It has softness—to swallow tremors as well as bumps.
2. It has firmness—for safe, restful roadability . . . on a windswept super highway or a winding country road.
3. It has all-load flexibility—no "riding high" with a light load . . . no sag under a full one.
4. And the smoothness lasts—for Packard springs are self-controlling.

So, get a good basis for your comfort comparison. Look first at the leader—at your nearest Packard showroom!

# Ohio All Stars Victors Over Kentucky; Pager In First Four Minutes Of Try

The Ohio All-Star scholastic basketball team, including Eob Pager of Salem on its roster, made it a clean sweep Saturday night in Middletown, defeating the Kentucky All-Stars 42-40 on the middle floor.

Friday night the Ohioans had turned in a 47-35 win over the same rivals.

Saturday's game was a much closer affair, with Kentucky clinging to a small lead until midway through the fourth period. Baskets by Dick Retherford of Newark and Shelby Lineville of Middletown in the last three minutes saved the Ohio crew the game.

Pager saw only limited action in the game, as Middletown Coach Paul Walker saw fit to use his home town boys. The Salem center started the game at a forward post, but was pulled four minutes later. He did not score.

Coy Creason, a five-foot, nine-inch ball of fire from Brewster, Ky., was selected by sports writers as the most valuable man on the floor.

He was presented with an individual trophy. He scored 13 points during the game, all in the last half. Second choice went to Retherford of Ohio.

Each of the Ohio players was presented a trophy and was given his entire uniform. The Kentucky group was given sweaters.

About 1500 people jammed into the sweltering Middle gym to watch the struggle.

## Braves On Warpath

Many believe the Braves are the danger in the National League, and among the reasons are Warren Spahn, left, and Bob Elliott, batting clean-up. Southpaw Spahn is out to duplicate his 21-game season and 2.33 earned-run average of last year. Third baseman Elliott seeks to repeat as the elder circuit's most valuable player.

## CARROLLTON EAGLES WIN OVER AMVETS

Salem's Amvets absorbed another of their few losses Sunday when the revenge-minded Carrollton Eagles, who lost here a couple of weeks ago, managed a slim 4-2 edge over the veterans at Centennial park.

Carrollton's big three run spurge in the third inning was too much for the locals. The only Salem scores were in the second and eighth frames.

## Salem Poloists Won From Akron

Salem's Polo club chalked up an 11-2 victory Sunday over the Akron outfit at the N. Ellsworth road field.

Before a crowd of about 500 people, Salem was led by Jim Pidgeon with six goals. Pete Votaw scored two. Will Smith one. Walt Fennell one and Wilson one. Miller failed to tally for Salem. Bud Strouss and S. Strouss scored Akron's only goals.

Next weekend Detroit's team will play here on Sunday and Monday, the official observance of July Fourth.

## Gridders To Join Guard

COLUMBUS, June 28—Coach Wes Feller of Ohio State University said today he expected most members of his Buck football team to enlist in the Ohio National Guard. Otherwise, they would be subject to draft call at the conclusion of their next school year.

## HOGAN-DEMARET CAPTURE THIRD STRAIGHT TITLE

Hogan Says He Is Cutting Out 'Long' Events; Will Not Enter Again

By FRITZ HOWELL  
TOLEDO, June 28—Ben Hogan and Jimmy Demaret had their third consecutive—and final—Inverness four-ball championship, plus a check for \$3,500, tucked away today.

It was their final title, because Hogan announced at the 126-hole best-ball tourney's conclusion that he would not be back next year, and that he was curtailing his golfing activities by eliminating "the longer events."

"I'm not retiring," Hogan said, "for I plan to play golf all my life. But these tournaments are quite a grind, especially the long ones."

Asked if he meant he might not defend his National Open and PGA championships, Hogan replied: "I haven't made up my mind about that."

Hogan is the first man since Gene Sarazen in 1922 to win the PGA and National Open crowns the same year. He will play in the Motor city open this week end at Detroit, but will pass up the Columbus Ohio open the following week.

Hogan and Demaret spread-eagled the field in the Inverness classic, winning by 10 points over Chick Harbert of Detroit and Vic Ghezzi of Kansas City, for the greatest winning margin in the 11 years of the classic which they've won four times.

They picked up an additional \$250 for shooting 52 birdies in the 126 holes, another record, and they turned in a pair of consecutive 60's, lowest ever recorded in the best-ball event, for another \$250. They were 51 under par for the 126 holes, missing every figure only on the 126th hole—a lapse which allowed Harbert and Ghezzi to grab a one-up decision.

That was the only match the champs lost against the other seven pairs of hot-shots.

Here's how they finished, with the prize money:

Hogan-Demaret (plus 16) (\$3,500; Harbert-Ghezzi (plus 6), \$1700; Lloyd Mangrum-Dick Metz (plus 2), \$1150; Bobby Locke-Ed Purgol (plus 2), \$1150; Carry Middlecott-Jim Farrier (minus 5), \$900; Clayton Haefner-Herman Keiser (minus 6), \$800; E. J. (Dutch) Harrison-Bob Hamilton (minus 7), \$700; and Johnny Palmer-Skip Alexander (minus 8), \$600.

## Hits Stride, Wins Golf Tourney; Hartsough 1st In Class B Weekend Test

Dick Dennis, hitting his stride for the first time in tournament play this season, won the Class A match play against par, half handicap, tourney at the Salem Golf club over the weekend. The B first prize went to Clarence Hartsough, who was five down to par.

Dennis's showing was the best of the day, hitting a terrific pace to end three up on par. Al Moser was second at even par and third place went to Art Lind, who finished four down to par.

Dennis had a good day, shooting a 38 with two sixes one round and a sub-par 34 the other nine.

In the Class B flight second place was won by Don E. Beattie, who wound up six down to par. Third place was a tie between N. A. Pedersen and R. C. Blair, who wound up eight down to par.

The competition in the Class A battle for the June handicap tourney title narrowed considerably over the weekend and now only three matches remain before the championship is decided.

Last week Rudy Schluster, scoring 75, defeated Ed Kennedy four and three to move into a match with Walt Deming, who won two up over Al Juhn in tourney play Sunday.

In the other A Bracket N. I. Walen, playing with back-breaking consistency, eliminated A. A. Naragon one up in a tight battle cat-and-mouse all afternoon.

Walton now clashes with Walt Hiltbrand, in the midst of a hot streak, after Hiltbrand had eliminated difficult Ed Pakalski four and three last Wednesday.

The winners of those two matches vie for the title.

In Class B the competition is still not to the final stages, but the matches are slowly being narrowed down.

Last week Clarence Hartsough eliminated Jim Britt six and five. Dr. M. M. Sandrock, who had beaten Roy Yeager, lost two down to Carl Ramsden.

George Ryser and George Perault, both winners in recent matches, are to play this week. Bob Wright, a two-match winner, went down to defeat two and one to Pedersen, who is well advanced now in match play.

Al Parker won over V. Lemley and Ralph Long eliminated Andy Ulrich six and five.

NOTES... The Golf club's women travel to Tippecanoe Country club tomorrow for another guest day trip.

Pro Andy McNary travelled to the Denny Shute day tournament, a match play against par affair, at the Portage Country club in Akron and shot an even par 71. . . He does not know how he made out yet, but he received virtually no help from his partner, Andy Hlas, who had a bad day. . .

## MUNCRIEF, ZOLDAK KEEP TRIBE 1ST

CLEVELAND, June 28—The Cleveland Indians still held a slender 11-point percentage margin on the other seven American league clubs today, and the weekend victories which held the Tribe on top were contributed by former St. Louis Browns' Bob Muncrief and Southpaw Sam Zoldak.

"Sad Sam" poured his "sneak" fast ball past the Washington Senators yesterday for a neat 4-1 victory in the finale of a double header after the Indians dropped the opener, 5-2, before 35,980 stadium fans.

Zoldak, who has copped two straight victories since joining the Tribe June 17, earned a shutout in the triumph which gave Cleveland an even split in the four-game series with the Nats. Muncrief has added five wins and only one loss to the Indians' balance sheet, and now has hurled 25 straight scoreless innings.

Washington snapped Zoldak's bid for a blanking in the third frame when Ay Kozar doubled, moved to third on Carden Gillenwater's single and scored an unearned run on Dale Mitchell's throwing error.

The Tribe sewed up the nightcap in the first frame when Mitchell singled, Manager Lou Boudreau slammed a one-bagger and Alie Clark clouted a three-run homer. Clark's third round tripper of the season was followed by Joe Gorman's 12th circuit blast into left field stands.

## ALTHOUSE WHIPS EAST LIVERPOOL

The Althouse Dodge baseball team, still powerful in the field and strong at the plate, recorded an impressive 7-0 victory over the Liverpool American Legion at 12th Placenta diamond Sunday.

Althouse's stepped out 4-0 in the first inning and never was in trouble.

# STOP THE RED SOX IS MAJOR CRY IN AMERICAN LOOP

Boston Roars Along At  
Best Pace In Loop;  
Have 17 of 22

GY JOE REICHLER

Associated Press Sports Writer  
The old familiar cry of "stop those Boston Red Sox" is being heard once again around the American league.

During the past month this has been the most strenuous task in baseball. Paced by Ted Williams and Vern Stephens at the plate and Joe Mauer and Dave (Doc) Ferriss on the mound, the Red Sox have knocked off every kind of opposition to leap right back into the pennant scramble.

Today, with 17 victories in 22 starts during the month of June, the Sox are firmly entrenched in the first division only five and a half games behind the pace-setting Cleveland Indians. This easily has been the best June showing of any club in the circuit.

The Red Sox moved another full game nearer the top yesterday when they swept a doubleheader from the Browns, 2-0 and 6-3 in St. Louis. The twin triumph gave the Red Sox a record of nine victories in their last 11 games. Yesterday's second game was limited to seven innings by rain.

It was Williams again who provided the winning blow in the nightcap. Ted slammed his 16th home run with two men on base in the first inning to get the Sox off on the right foot. Williams' batting average is now .415. He leads all hitters with 69 runs batted in. He has a 15-game hitting streak going.

The Athletics swept a doubleheader from the White Sox, 6-5 and 6-2, in Chicago to pull within 11 percentage points of first place. The double victory, Philadelphia's sixth and seventh in a row, marked the first time this season the White Sox have gone down to two defeats in one day.

Young Carl Scheib 11 hits in the opener but managed to stagger through to victory. Dick Fowler gained his fifth triumph with an eighth-inning homer.

The Indians kept first place by coming back to defeat Washington, 4-1, in the second game after the Senators had won the opener of their twin bill, 5-2.

Lefty Tommy Byrne, making his first start of the season, hand-cuffed the Tigers with two hits in Detroit as the Yankees won a 7-0 shutout. The Yankees got nine hits off Paul Trout and Stubby Overmire.

The Boston Braves retained their half game lead over the St. Louis Cardinals in the tight National league race by turning back the Pittsburgh Pirates, 9-1, Boston tied off against Pirate Starter Vic Lombardi for two runs in the second inning to take a lead they never relinquished.

Home runs by Stan Musial and Marty Marion, and a two-run triple by Nippy Jones, sparked the Cardinals to a 6-4 victory over the Dodgers in Brooklyn. The game was called at the end of eight innings because of rain and darkness. The round tripper was No. 17 for Musial, who is batting .405.

Scoring two runs after two were out in the seventh inning, the Cincinnati Reds came from behind to nip the New York Giants, 4-3, in first game of a scheduled doubleheader. The second game was postponed by rain.

The Chicago Cubs and Philadelphia Phillies divided a doubleheader in Philadelphia, the Cubs winning the opener, 6-2, and the Phils taking the nightcap, 7-4. The second game was called after eight innings because of the Sunday 6:00 p. m. curfew.

Salvation Army, V. F. W.  
Send 50 To Air Camp

Fifty boys and girls, including 34  
from Salem, left by chartered bus  
this morning to enjoy 10 days of  
camp life at the Salvation Army  
fresh air camp in Mentor.

This camp is staffed by experi-  
enced Salvation Army officers. The  
camp offers a diversified program of  
more than 60 activities, with special  
emphasis given to outdoor sports.  
Swimming, baseball, playground ac-  
tivities, handicraft and games of all  
sorts make up the daily program.  
The children left from the Salva-  
tion Army headquarters on S.  
Broadway. Among those who were  
there to bid farewell to the children  
were VFW Post Commander How-  
ard McGaffick and members of the  
local Salvation Army advisory board.  
McGaffick represented the local  
VFW organization which contrib-  
uted sufficient funds to send 25 of  
the fifty children to camp. Captain  
John T. Hansen, local corps com-  
mander, had charge of arrange-  
ments and details. He accompanied  
the children to camp but will re-  
turn this evening.

Cable Short Puts State  
St. Traffic Lights Out

A short in the underground cable  
shut off the E. State st. traffic  
lights Sunday afternoon. Workmen  
were attempting to find the break  
this morning.

Traffic difficulties were encount-  
ered throughout the evening, as op-  
posing traffic was forced to take  
turns in passing through the inter-  
sections.

Complete op-to-the-minute  
weather maps now are supplied to  
ships at sea by means of radio.

FRIENDS

pathy in the tragic sudden passing  
of our friend, Louis H. Brush.

Cranston Williams, general man-  
ager American Newspaper Pub-  
lishers Association, New York City:  
"Louis Brush was a great man and  
a great publisher. His friends and  
associates in the newspaper busi-  
ness will miss greatly his genial  
presence and wise counsel."

Merritt C. Speidel, president  
Speidel Newspapers, Inc., Palo Alto,  
Calif.: "Shocked to learn of the  
sudden passing of Louis Brush. Our  
deepest sympathy to the family and  
to your organization."

Frank Gannett, president Gannett  
Newspapers, Rochester, N. Y.:  
"Shocked and heartick over sad  
news about Louis Brush. He was a  
real friend, a grand fellow and es-  
teemed by all who knew him."

Commander T. A. M. Craven, for-  
mer member Federal Communi-  
cations Commission: "We will always  
retain beautiful memories of Louis  
Brush. Knowing him was an inspira-  
tion."

Alfred Stanford and John C. Ot-  
tinger, Bureau of Advertising Amer-  
ican Newspaper Publishers Associa-  
tion, New York City: "Entire Bu-  
reau of Advertising staff joins in ex-  
pressing our deep sense of the great  
loss in the passing of Mr. Brush."

William H. McMaster, former  
president Mt. Union College: "Our  
dear friend Louis Brush was a man  
of integrity and to the last loyal to  
the ideals which have made Amer-  
ica great."

Charles E. McCabe, general man-  
ager New York Mirror: "Deeply  
shocked by the sudden and untimely  
death of Louis Brush. My deepest  
sympathy."

Gen. Arnold M. Krogstad, com-  
mander Air Force Training Com-  
mand at Miami during World War  
II: "Our deepest sympathy in the  
passing of one of the grandest and  
finest gentlemen. His good deeds  
and kind thoughts will always re-  
main with us."

George B. Christian, secretary to  
the late President Warren G. Har-  
ding, Washington, D. C.: "Our  
heartfelt sympathy in the passing  
of my most beloved friend. Years  
of loyalty and kindness is a won-  
derful memory."

John W. Cullen, newspaper ad-  
vertising representative, Chicago:  
"His death creates a void in the  
lives of many friends but leaves us  
the comfort of happy memories and  
the knowledge that he lived a full  
and useful life."

John M. Bodinger, president  
Commercial National Bank & Trust  
Co. of New York: "He was one of  
those great and unusual characters  
who helped to make life worth while  
and so many people his cherished  
friends."

Howard Davis, president, and  
Daniel Buckley, secretary, Port-  
smouth Typographical Union: "Our  
union extends its deepest sympathy  
in this hour of bereavement."

Clifford Roberts, New York City:  
"Deeply distressed to learn the sad  
news. Bobby Jones is here and joins  
me in sending deepest sympathy."

Charles F. Kettering, recently re-  
tired vice president of General Mo-

tors Corp.: "It was a distinct shock  
I send all the sympathy that words  
can convey."

Ed Keagy, alumni association of  
Sigma Alpha Epsilon, Miami: "His  
name shall forever stand among us  
as a beacon for everything that is  
fine and good."

Ed. M. Martin, Ohio Newspaper  
Association, Columbus: "His was a  
full, happy and successful life. He  
was an outstanding citizen and will  
be sorely missed."

## SLIPCOVER DRAPES AND CHAIRS FOR THE HOT SUMMER MONTHS

BY KAY SHERWOOD  
NEA Staff Writer

SHEATH winter draperies as well as chairs with slipcovers of plastic fabric, if you want to simplify hot-weather housekeeping.

Plastic-coated cottons can be wiped clean with a damp cloth. The plastic coating weights the cotton so that the fabric is as adaptable to the tailoring needs of slipcovers and curtains as any other fabrics.

New idea in decorating for the lady who does her own slip-covering is to use curtains as well as slipcovers for chairs. Easier than making a complete set of summer curtains is to make slipcovers which are merely fabric "bags" to slip over winter draperies. To make a drapery "bag," measure the length and width of the curtain to be covered. Cut two lengths of slip-cover fabric slightly longer and wider than these measurements to allow for seams. Sew cut lengths together along the sides and across the bottom. Fit the top with a draw-string so that the fabric can be gathered after the bag is pulled over the draperies. Slipcover curtains may be hooked to curtain rods or pinned in place at the top to the winter drapery fabric underneath.

You needn't be an expert seamstress to stitch up your own chair slipcover of easy-to-clean plastic fabric. With the help of a simplified pattern which gives step-by-step procedure for covering a chair, even a novice can turn out a neatly tailored fabric sheath. Sewing experts advise the amateur to pick the slipcover style with the fewest frills or ruffles to tax her skill. Solid-colored fabric is usually easier to work with than patterned material which requires careful matching of design.

An improved peanut picker that digs the nuts out of the ground, saws them loose from their stems, shakes little stones out of them and bales the vines for high-grade hay, enables a more efficient large-scale harvesting of this big-money crop.

Winter draperies and upholstered chair in this picture have been slipcovered for summer with dirt-defying, plastic-coated cotton fabrics. Brightly-patterned, easy-to-make drapery "bag" is pulled up over winter curtains, inset top left. Window at right shows the decorative results. Seamstress cuts into solid-colored cloth, inset bottom right, according to the instructions given by simplified pattern to make the slipcover for chair, left.

CALIFORNIANS  
ARE SURPRISEDGov. Warren's Acceptance  
Of Vice Presidential  
Nomination "News"

(By Associated Press)

Californians who have heard Earl Warren say "No" so often to the question of his ambition for the vice presidency, were astonished today when their governor accepted.

But their feeling, generally, was almost as happily unanimous as was his nomination in Philadelphia yesterday.

Lieutenant Governor Goodwin J. Knight, who would succeed Warren as California's governor if the Republicans win in November, declared today, "The action of the Republican convention is a recognition of the great importance of the west in American affairs."

"We are delighted with the nominees chosen and of course we will support them with the greatest energy and enthusiasm."

The state constitution provides for the lieutenant governor's automatic succession in event the governor's chair becomes vacant. Warren's term expires in January, 1951.

Knight, 51, has been an attorney and judge in California for many years. He and Warren were elected in the same year.

Paul C. Smith, editor and general manager of the San Francisco Chronicle, commented that Warren's nomination as Dewey's running mate "is of historic significance."

"It is," Smith said, "the cap de grace to reactionary isolationism in the Republican party."

Radio-timed flares, dropped on parachutes from high-flying planes, instead of lights on top of high skeleton towers, are the newest technique for enabling geodetic surveyors to pinpoint locations on charts with great accuracy.

## GAS EXTENSIONS WOULD AID AREA

(By Associated Press)  
WASHINGTON, June 28—Texas  
Gas Transmission Corporation as-  
signed permission today to link its  
Memphis and Kentucky divisions  
with an 840-mile, \$73,500,000 pipe-  
line system.

The corporation told the Federal  
Power commission the expansion,  
tapping a new source of gas in Tex-  
as, would increase the company's  
ability to meet natural gas needs of  
its customers in Tennessee, Louisi-  
ana, Arkansas, Mississippi, South-  
ern Indiana, Western Kentucky and  
Eastern Illinois.

It also would enable the company  
to serve the city of Louisville, Ky.,  
and four companies which sell nat-  
ural gas in the Appalachian area.

The company said it would be able  
to start construction within 60 days  
after issuance of a license. It wants  
to start delivery at the eastern termi-  
nus as near Middletown, O., in No-  
vember or December, 1949, and com-  
plete the line by autumn of 1950.

The company plans to finance  
construction by sale of an addition-  
al \$5,000,000 in common stock, July  
1. It has an interim agreement for  
bank loan up to \$7,750,000 from  
Chemical Bank and Trust Com-  
pany, Chase National Bank of New  
York and the Bank of the Manhat-  
ten Company.

Texas Gas said it has 20-year con-  
tracts to provide Louisville Gas &  
Electric Co. with 40,000,000 cubic

feet of gas daily, 110,000,000 cubic  
feet a day to East Ohio Gas Co.,  
100,000,000 cubic feet daily to Ohio  
Fuel Gas Co., and Manufacturers  
Light and Heat Co., and 25,000,000  
cubic feet daily to Texas Eastern  
Transmission Co.

## Building Project Bows To Nest of Young Robins

TWO RIVERS, Wis.—Construc-  
tion was resumed on a new theater  
after all concerned agreed there  
would be no activity around a cer-  
tain hawthorne tree at the building  
site.

Surveyors were laying out mark-  
ers when Frank Wallo, who oper-  
ates a nearby cafe, pointed to a  
bird's nest in the tree. Two young  
robins were in the nest.

"Can't you wait until the little  
fellows are a bit older?" Wallo  
pleaded.

The men thought they could so  
until the fledglings can fly, the  
theater construction will go on all  
around them but the tree will re-  
main untouched.
